By Road

[Approaching from the South](#) on the A426

Coming into Rugby from the South, you will come through the village of Dunchurch. Follow the signs that direct you to the M6 Motorway North. Continue on this road towards Rugby Town Centre (A426) and still keep following the signs to M6 North.

This will eventually bring you to the Avon Mill roundabout. Turn right (First exit) and travel down the dual carriageway, turning off left, just after passing under the big railway viaduct, into Consul Road (next to a Peugeot Talbot Garage).

The entrance to Rugby Wharf is 100 metres along on the right. [Click here for a larger map.](#)

[Approaching from the North](#) - M1 Motorway, Junction 20

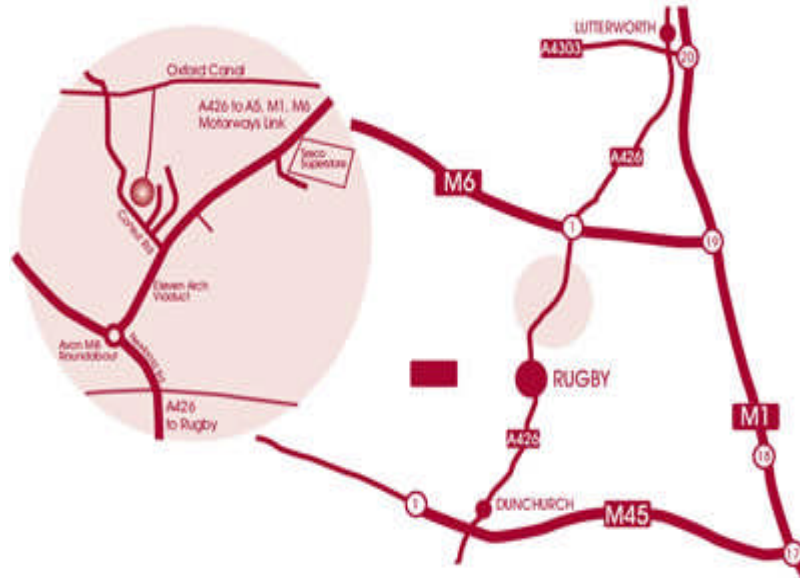

Follow the A427 towards Lutterworth/Rugby. Turn left at traffic lights onto A426 Rugby. Continue for 4 miles. At the junction of the A426 and M6 Motorway, follow the instructions (below) for approaching from M6 Motorway.

[Approaching from the South East or North West](#) - M6 Motorway Junction 1

Take the A426 towards Rugby. Go straight across the first few roundabouts until you pass Tesco's on your left.

Continue on under a large railway viaduct, then at the next roundabout, go right round and head back the way you came.

Again pass under the viaduct and turn left shortly after it, into Consul Road (next to a Peugeot Talbot Garage). The entrance to our hire base is 100 metres along on the right.
